

2022-2023 Grant Application Webinar

# Altamont Education Advisory Board

## Tonight's objectives

- Review 2022-2023 Grant Guidelines
- Open for questions from attendees

# What are the objectives of the EAB?

The objectives of the Education Advisory Board are to promote waste prevention and recycling, job training and education through:

- Waste prevention and recycling programs that serve schools (recycling supplies, program materials and other education activities such as field trips);
- Projects in: waste prevention, source reduction, reuse, recycling, composting and procurement of recycled content products;
- We are especially interested in supporting school projects in food waste prevention, food donation, and organics separation pursuant to [Senate Bill 1383](#);
- We prioritize projects that provide a learning opportunity for students and/or the community and projects that result in high quality recovered materials and products;
- Priority will be given to programs that change the culture/behavior of waste prevention and recycling in schools;
- Community education through waste prevention, source-separation and recycling education programs;
- Job training and internships in the field of waste prevention and recycling. This grant year, we will not be considering grants for job training programs in general retail or construction.
- The grant objectives for the mini-grants and projects grants should be accomplished within the 2022-2023 grant year.

**Note:** The Board will not fund hand dryers, water stations, battery chargers, document readers or gardening equipment.

# Categories

## B. What categories do the Board fund and how much money is available in each category?

The Educational Advisory Board offers mini-grants, ranging from \$500-\$3,000 each (with no minimum grant requirement), and project grants, which average approximately \$20,000 each, with a maximum request of \$50,000. Please note, due to lower funding levels this grant category is expected to be very competitive.

In addition, no more than (3) applications will be considered from one applicant.

# Terms & Eligibility

## **C. What amount of money can an applicant expect and what are the terms?**

The length of grants is one year for mini-grants as well as for project grants. The Board will also consider multiple-year grants (up to three years). If applying for a multiple-year grant, applicants must provide justification and an annual budget and schedule. A limited number of multiple-year grants in excess of \$50,000 will be considered.

## **D. Who is Eligible to Apply?**

Grant money is limited to individuals and organizations serving citizens of Alameda County and the city of San Ramon, with the exception of franchise waste haulers.

Past grant recipients have included teachers, schools, school districts, student councils, PTAs, individuals and non-profit organizations.

# Application Process

- Applications and required information must be submitted via email to [altamonteab@gmail.com](mailto:altamonteab@gmail.com) no later than midnight on:

Friday, March 4, 2022.

- Funding will be awarded to successful applicants as resources allow. By submitting completed applications, applicants understand that competition for funding is extremely competitive and, at time, partial funding may be offered. Funding notification will be on or before May 1, 2022.

# How are applications evaluated?

- Does the applicant meet the Board's eligibility requirements?
- How well does the request meet one or more objectives of the Advisory Board?
- How will the project's deliverables be useful or transferable to others?
- Are the project goals and tasks clear and concise?
- Are the project tasks, timeline, and budget realistic?
- Is the applicant qualified to accomplish the project?
- Does the project leverage other public and private resources (such as foundation grants, other grant making organizations, etc.)?

# Questions?

Applications are due:

Friday, March 4, 2022

Submit via email: [altamonteab@gmail.com](mailto:altamonteab@gmail.com)

\*Confirmation of receipt on applications will be given within 1 week\*
